PROJECTS

Paykeeper-Managing personal finance, September 2024 - December 2024

- PayKeeper is a web-based personal finance management application designed to help users efficiently track their borrowing and lending activities. Developed with a focus on simplicity and functionality, PayKeeper allows users to easily sign up, log in, and keep a record of their financial transactions.

1.Key Features:

User Authentication: Sign up and log in securely to manage your financial records.

Transaction Management: Record money lent or borrowed and track balances.

User-friendly Interface: Simple, intuitive design for quick access to transaction details.

2.Technologies Used:

Frontend: HTML, CSS, JavaScript

Backend: Node.js, Express.js

Hosting: Render

Collaborators: Pratap Sanap
Atharva Narkhede
